Busan Metropolitan City - Introduction

Busan, a bustling city of approximately 3.4 million residents, is located on the southeastern tip of the Korean peninsula. Busan spans 770.07km², only 0.8% of the whole Korean Peninsula landmass.

Busan Metropolitan City - Introduction

Busan is the second largest city in South Korea.

Its deep harbor and gentle tides have allowed it to grow into the largest container handling **port** in the country and the fifth largest in the world.

The city's natural endowments and rich history have resulted in Busan's increasing reputation as a world-class city for **tourism and culture**, and it is also becoming renowned as a hot spot destination for **international conventions**.
